Intellectual Property, A business tool for SMEs

It is proved that the 4 sectors of Textiles and Clothing, Leater, Footwear and Furniture face a fierce competition in their everyday struggle for surviving; especially from other continents like Asia or South America.

Small businesses which need to protect their valuable Intellectual Property (IP) like inventions, brands and designs can access here 4 new international accredited IP Sectoral Guides.

The Guides explain in an understandable way what the IPR could mean for a SMEs, how to use it and find out more about it, including also the issues of counterfeiting.
